Spring Break will be March 12-16. Break Camp will be available if needed.

We are completing our study of Africa this week. Many thanks to Lisa's mom for coming to talk to us about life in Kenya.

We had so much fun learning about the many fascinating animals that live on that continent.

Sitting on the camel saddle has been a special treat for all of us! Thank you, Mrs. LaMoreaux for sharing it with us!

It will be hard to remove our life-size giraffe from the wall. He has become a special part of the classroom.

During the Month of March, we will study about the continent of Europe. We will also start a unit on weather.

We are having a special "I love to read" day on March 2nd, and we will celebrate the birthday of Dr. Seuss on the same day. Your child can wear their pajamas to school and bring their favorite book to share. Be sure to arrive around 9:00 so your child can enjoy a special snack and crafts.

Thank you to all who came to Parent Night! We had a great time watching the children show you their work.
